《蓝翅》第1话 妹妹 (完)

U17 少年漫画

3829's Translation Notes:

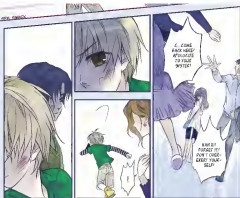

Chinese has an honorific system that shares similarities with Japanese.

In this case, Shang Ming Jing is being called "Xiao Jing", which shows endearment towards children. It's used kind of like "-chan."

3829's Translation Notes:

The mother's name was Romanized as 'Nan Xi,' which is pronounced kinda like 'Nancy.' I thought about changing it to 'Nancy,' but I decided on leaving it as the Romanized version because we don't totally know for sure that she's a foreigner (even though it sure looks that way).

3829's Translation Notes:

This one's pretty important. The emphasis on the color blue isn't random. Her hat is blue, her eyes are blue, and even her name (Lan) means blue! Also note that the title of this series is "Lan Chi," which means "blue wings."
